[]	Less than 50	[]	50 to 100	[]	100 to 200	[]	More than 200

Dee Howard Foundation STEM Education Excellence Award Nomination

- Section V -	
Please confer with your nominee and attach a detailed plan for your school's S.T.E.M. program over the next 1-3 year period. At a minimum, address each of the following within your plan, and describe any area(s) where you believe The Dee Howard Foundation could assist.	
1.	Increase student engagement/participation in your school's S.T.E.M. program.
2.	Improve student standardized test scores, year over year, in math and science.
3.	Introduce or increase aerospace and/or aeronautics subjects in your S.T.E.M curriculum.
- Section VI -	
Select one to three students enrolled in your school's S.T.E.M. program to write a 200-word (no less than 150 words, no more than 300 words) essay answering one of the following questions: <i>(attach the essay[s] to this nomination package)</i>	
1.	"Why do you believe your teacher should receive The Dee Howard Foundation STEM Education Excellence Award?"
2.	"Why is it important to you to have aerospace engineering included in your school's S.T.E.M. curriculum?"

Part C – Acknowledgement			
<i>To be completed by the school's Principal or Superintendent</i>			
I acknowledge that by submitting this nomination, should the candidate described herein be selected as the Honoree of The Dee Howard Foundation STEM Education Excellence Award, I hereby commit the institution below will use the \$1000 award grant from The Dee Howard Foundation to help incorporate aviation and aerospace into the S.T.E.M. curriculum for the 2019-2020 school year and beyond, in a manner mutually agreed between the school and The Dee Howard Foundation.			
The complete nomination package must be submitted to W. Sean Kearney, Chair of The SEEA Selection Committee, via wowek.kearney@tamusa.edu no later than December 1, 2018 to be considered for the award.
